A CHINESE DICTIONARY
IN THE
CANTONESE DIALECT.
BY
DR. E. J. EITEL.
(HONG KONG, 1891.)

HONGKONG, 1877-1893.		
Part I.	A-K	\$3.50.
Part II.	K-P	\$2.50.
Part III.	P-T	\$3.00.
Part IV.	T-Y	\$3.00.

This Standard Work on the Chinese Language, constructed on the basis of Kanghri's Imperial Dictionary, contains all Chinese characters in ractical use, and while alphabetically

arranged according to the sounds of the oldest dialect of China, the Cantonese. It gives also the Mandarin pronunciation of all characters explained in the book, so that its usefulness is by no means confined to the Cantonese Dialect, but the work is a practically complete Thesaurus of the whole Written Language of China, ancient and modern, as used all over the Empire, whilst its introductory chapters serve the purposes of a philological guide to the student.

A Supplement, arranged for being bound and printed separately, contains a list of the

ward by resist, and consolidating the List of the
Radicals, an Index, and a List of Surnames, will
be published and sold separately.
